PROOF – NOTE THE FOLLOWING:

LRCS

- Please carefully review spelling, colors, details & placement shown as this is intended to be an accurate illustration of the final product.
- Color appearance on your screen may not be accurate to final product due to differences between digital representation verses printer, paint, materials, etc. In order to have a specific color, a pantone color must be provided.
- Any logos or artwork provided need to be in a vector line art format for a crisp, clean print. Blurry images will print blurry.
- Only 3 revisions are included in the proposed scope of work. Any further changes will incur an art fee. If customer decides not to proceed with the order, art fees will be charged for graphic artist time.
- AFTER FINAL APPROVAL HAS BEEN GIVEN, YOUR ORDER WILL GO INTO PRODUCTION. Errors found or changes made after final approval will result in additional costs for re-making signage at the customer's expense.
